

Japanese Course - Auditing

Auditing allows short-term study in the full-time Japanese course.

- Start Date:** Any time (other than Japanese Course vacations)
- Duration:** Greater than one week (5 days)
- Tuition:** ¥25,000 per 5 days
*Tuition cannot be calculated on a day-by-day basis. For example, the tuition for a 17 day period would be ¥100,000.
- Course Material Costs:** Price of textbooks and copier fees
* The exact cost of materials will depend on the study period.
- Payment:** Payment must be made in full before lessons begin.
* No refunds will be given once payment is made.
- Eligibility:** Applicants must have a valid status of residence.
* Applicants coming from abroad will need to obtain a visa for a short-term stay on their own.
- Required Documents:** Application for Admission
Three passport photos
A copy of the applicant's passport
(For residents of Japan) A copy of the applicant's Certificate of Alien Registration

*Auditing students will be tested after enrolling to determine the class most appropriate for their level.

*Once enrolled, auditing students will be expected to follow the same schedule and attend the same school events as full-time students.

*Requests to extend or shorten the duration of an audit should be submitted at least one week before the change.

*Depending on class size it may not be possible to audit. Please contact the school before applying.

*The school can help you find lodging. Please contact us for more information.
